DPD 3571-59

31 December 1959

MEMORANDUM FOR: Chief, Mobilization and Military Personnel Division

SUBJECT : Administration of Military Personnel

REFERENCE : Memorandum dated 17 September 1959, Same Subject

1. We have checked thoroughly your request to communicate directly with Air Force Military personnel detailed to DPD and assigned outside of the Washington area. Although your proposal offers an advantage in that it would cut down on the paper work at Headquarters, we feel that the need for control and clear-cut administration dictates a single line of communication between DPD Headquarters and its various field bases.

2. It is therefore requested that you continue to route all communication for personnel assigned to DPD bases through DPD Headquarters.
